

Grade One News

Thursday, April 18, 2024

Dear Parents,

I send this newsletter hoping that the class had a super Thursday. I was away today and we had a substitute teacher. It is hard to believe that we have only one full week left in April. It will be a busy last two months. We have a full five-day week ahead of us!

Thank you to everyone who returned the paper permission form that Pine Valley requires.

Anyone wanting to volunteer must complete the school volunteer form, complete a criminal record check (we have a letter you can bring so there is no charge), and a child intervention check which is to be done online. Please make sure to complete all three! Thank you!

We are sad to see our friend Olivia leave WES and move to a new community. We now have 19 students in 1C.

We will be starting a new unit in PE in May - Track and Field! The focus will be on running, jumping and throwing! In Science, our new focus will be on the Seasons and Changes.

We have already started to think about class placements for next year. A lot of planning goes into making the lists. If you are moving or have information regarding next year that I should know about, please let me know as soon as possible.

We will not have a new homework sheet next week. We will continue to focus on this week's words. We had a busy week and need more time.

Have a fantastic weekend and we will see you on Monday. Please feel free to call if you have any questions or concerns.

Sincerely,

Amy Chattargoon
